

## Overview

Capital Southwest (NASDAQ: CSWC) is an internally-managed, credit-focused BDC that is an active lender to middle market companies across the capital structure. CSWC provides flexible capital that fills financing needs that traditional first lien senior lenders are unwilling to meet. In particular, CSWC is well-positioned to finance lower middle market businesses with \$3 to \$15 million of EBITDA.

CSWC manages investable capital of approximately \$775 million. As of March 31 2018, CSWC had funded over \$770 million in new credit investments, including the capital invested in its I-45 Senior Loan Fund.

The Company is managed by an investment team with decades of experience working with one another. The firm and all of its employees are located in Dallas, Texas.

## Recent Investment Activity

In 2017, CSWC deployed approximately **\$169 million** in new and add-on direct debt and equity financings across **17** different middle market portfolio companies.

## Industry Preferences
