

### **Board of Directors Approves Asset Coverage Ratio of 150% Effective April 25, 2019**

On April 25, 2019, the board of directors (the “Board”) of Capital Southwest Corporation (the “Company”), including a “required majority” (as such term is defined in Section 57(o) of the Investment Company Act of 1940 (the “1940 Act”)) of the Board, approved the modified asset coverage requirements set forth in Section 61(a)(2) of the 1940 Act, as amended by the Small Business Credit Availability Act. As a result, the Company’s asset coverage requirements for senior securities will be changed from 200% to 150%, effective as of April 25, 2019. The Board of Directors also approved a resolution which limits the Company’s issuance of senior securities such that the asset coverage ratio, taking into account any such issuance, would not be less than 166%, effective April 25, 2019.
